FOR IMMEDIATE RELEASE

The Archdiocese of New York has confirmed that Ford Motor Company will provide a specially modified 1980 Ford Bronco for use by His Holiness, Pope John Paul II, during his visit to the United States, October 1-7.

The vehicle, open in the rear so that the Pope may stand and greet his friends and followers, will have an exterior finish done in wimbledon white and an interior decor completed in wedgewood blue.

When the modified Bronco is completed, it will be turned over to the United States Secret Service, which will supervise the transportation needs of Pope John Paul II, while he is in this country.
