

2015 LINCOLN MKZ CENTER STAGE

Inspired by the excitement of a theater curtain rising on opening night, Center Stage was designed to appeal to Lincoln customers who are expressive and not afraid to take risks. Center Stage, with its Jet Black cabin and Foxfire Red accents, uses premium materials to create a dramatic, elegant environment.

The leather and Alcantara® are accented by a black and Foxfire Red tuxedo stripe down the center. Exclusive Black Label features include Lincoln Black Label embossing below the headrest and a Diamond-L perforation pattern (see below). The Diamond-L pattern was uniquely fashioned for the heated/cooled front seats.

The warmth and sophistication of Alcantara is present throughout the cabin, including the Jet Black headliner, pillars and package tray, and the seat inserts, floor mat edging and side panels of the center console. The thicker, upgraded Jet Black floor mats also feature a Lincoln Black Label insignia.
