

**2015 LINCOLN MKZ  
OASIS**

Inspired by the spa-like feeling of being surrounded by sun and sand, Oasis speaks to Lincoln customers who view driving as an escape to a more serene, peaceful world. Featuring an earth-tone interior composed of luxurious, inviting materials, Oasis is truly a retreat into comfort.

Venetian leather seating surfaces wear the color of Oasis, a soft cream that soothes. In contrast, the upper instrument panel and center console are wrapped in Island, a darker brown that exudes warmth.

All seats show a Linking-L perforation pattern (see below), another Lincoln Black Label exclusive. Alcantara® appears on the headliner, pillars and package tray, as well as on the side panels of the center console, to completely surround MKZ passengers in warmth. Thicker, upgraded floor mats with Oasis Alcantara edging include a Lincoln Black Label insignia.
