

A Constellation:

QUIET FLIGHT IN A DIGITAL EXPERIENCE

Designed to inspire confidence and keep clients connected in a way that ensures every journey is a little more effortless, SYNC 4* makes its Lincoln debut on the new 2021 Nautilus. It arrives with even more simplicity and connectivity.

An exclusive new interior theme, new wireless phone connection with Apple CarPlay, Android compatibility and SYNC AppLink, plus Over-the-Air Updates that elevate the SYNC experience in a way that is uniquely Lincoln.

Inspiring Confidence through Space

On an all-new 13.2-inch center stack screen that ties to the horizontal design of the interior, SYNC 4 debuts a new theme that is exclusive to Lincoln – Constellation. Inspired by the night sky, blue hues with pops of orange mimic the horizon and simulate the galaxy. The navigation screen showcases an updated blue-gray color scheme with plum accents, and particle effects present a peaceful, engaging drive experience true to Quiet Flight.

Conversational Voice Recognition

Bringing more simplicity to clients, the new SYNC 4 system uses conversational voice recognition that responds to clients' natural speech, allowing effortless interaction with connected technology and confident control.

Effortless Navigation, Curated Listening Experience

Integrating cloud-based connectivity, SYNC 4 comes with enhanced connected built-in navigation** features and a curated listening experience with SiriusXM with 360L***. Features include:

- Yelp (POI with hours of operation and reviews)
- TomTom (Traffic and hazard information)
- INRIX (Parking and gas prices)
- AccuWeather (Real time weather)

Digital Owner's Manual

Creating an effortless way for clients to learn more about their Lincoln Nautilus, the digital owner's manual on SYNC 4 utilizes cloud connectivity and provides three ways to store information:

- Search bar
- Visual search with vehicle animation
- How-to video

Over-the-Air Updates

This new system also enables secure, Over-the-Air Updates bring the latest technologies and improvements to SYNC 4 and the modem with little-to-no action from our clients.

*Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **Navigation services require SYNC®4 and Lincoln Way Connect. Lincoln Way Connect (standard on select vehicles), the Lincoln Way App and complimentary Connected Service are required for remote features (see Lincoln Way Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Lincoln Way App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. ***Trial length and service availability may vary by model, model year or trim. For more information, visit media.lincoln.com
