## Lincoln Continental Earns Spot in Autotrader's 10 Best Car Interiors Under \$50K Competition

**DEARBORN, Mich., Feb. 28, 2018** – Comfortable seating, a roomy cabin and easy-to-use controls earned the 2018 Lincoln Continental a spot on Autotrader's annual 10 Best Car Interiors Under \$50,000 list.

The Continental, Lincoln's flagship sedan, has a base price of \$45,160 for 2018. The Lincoln Continental embodies a timeless definition of beauty, balancing strength and elegance, power and control. It's an effortlessly powerful, full-size sedan that delivers quiet luxury to the industry's most discerning customers.

"What's on the inside of a car is arguably as important as what's on the outside, since drivers and passengers spend all their travel time here," said Tara Trompeter, managing editor for Autotrader.

"We've focused on the latest models, and most have been updated recently to offer attractive, comfortable, thoughtfully planned interiors."
