Lincoln Nautilus Black Label Named One of Wards 10 Best Interiors for 2019 in Compliment to SUV's Style

DEARBORN, Mich., April 18, 2019 – The Black Label Lincoln Nautilus, heralded for its sophisticated good looks and welcoming cabin, has earned a spot on the exclusive Wards 10 Best Interiors list for 2019.

The full list of winners, chosen from a field of 32 vehicles with new or significantly redesigned interiors, will be announced today at the New York International Auto Show.

Eight editors from Wards evaluated all the nominated vehicles, including the Black Label Nautilus, in categories that included aesthetics, comfort, fit-and-finish, material quality and ergonomics.

Nautilus, with its sleek, spacious cabin, has been designed to serve as a sanctuary from the outside world, featuring acoustic side glass to reduce wind noise for rear passengers, and advanced engineering solutions to help eliminate road noise.

Available Ultra Comfort seats for the driver and front passenger can be adjusted up to 22 ways, providing lumbar massage designed to reduce fatigue. Available 13-speaker and 19-speaker Revel[®] audio systems offer the ultimate sound experience while contributing to the soothing environment.

Lincoln's full family of SUV offerings continues to bring new clients to the brand. With a conquest rate up 23 percent in the first quarter of the year, Lincoln SUVs are off to their strongest start in 18 years. The full-size Navigator continues to break sales records, and the new 2019 Nautilus and MKC are riding a wave of popularity as well, with sales up nearly 26 percent and 18 percent, respectively.
