Sanctuary for the Senses: Autotrader Names Lincoln Corsair a Top 10 Best Car Interior for 2020

DEARBORN, Mich., Feb. 19, 2020 – Drivers spend countless hours per week inside their vehicle, making the interior appearance extremely important. To add importance to the vehicle’s interior, Autotrader has announced its 10 Best Car Interiors Under \$50,000 for 2020 – and the all-new Lincoln Corsair has been named to that list.

The 2020 Corsair, Lincoln’s newest small luxury SUV, features a luxurious, airy cabin that clients have come to love in the brand’s larger SUVs including the Navigator and Aviator. Clean, horizontal lines across the dashboard and an attractive mix of glossy and matte surfaces, as well as five different interior color options place Lincoln Corsair on Autotrader’s top 10 list.

Autotrader’s 10 Best Car Interiors Under \$50,000 recognition helps car buyers look beyond a new vehicle’s outward appearance. The price cap serves to reveal many new vehicles that cost less and give more when it comes to cabin fit-and-finish.

Effortless, nimble Lincoln Corsair

The expressive, elegant Lincoln Corsair rounds out the brand’s portfolio of luxury SUVs, combining refined power and a confident, whisper-quiet ride that is uniquely Lincoln.

Staying true to its Quiet Flight DNA, Corsair delivers an effortless yet nimble drive experience. Two turbocharged four-cylinder engine options are offered – a standard 2.0-liter with 250 horsepower and 280 lb.-ft. of torque and an available

2.3-liter with an impressive 295 horsepower and 310 lb.-ft. of torque.

Corsair Grand Touring, which launches this summer, provides a second plug-in hybrid option from Lincoln, following the launch of the Aviator Grand Touring.
